

Nuclear crisis in Japan

What we need to know

◆◆◆◆ About Support 21 ◆◆◆◆

Support 21, Social Welfare Foundation is an organization offering helping hands to foreign nationals coming to Japan or foreigners residing and striving to settle down in Japan.

In 1992 Support 21 branched from AAR, Japan to develop domestic activities more efficiently.

We have been providing scholarships, counseling services and learning programs and many recipients of our services have achieved self-sustainable lives.
